

Rohit Bajaj

Rohit Bajaj is the Head and Executive Director of Business Development, Strategy and Regulatory Affairs with the Indian Energy Exchange Limited (IEX). As a management and business development professional, Rohit has close to 30 years of rich and diverse experience garnered in the energy domain, encompassing the conventional and renewable power industry - generation and power market, as well the hydrocarbon industry. Working at the Indian Energy Exchange since the year 2014 with a dedicated focus on building India's power markets, Rohit has been instrumental in conceptualizing and implementing several market segments and contracts, building capacity of the stakeholders besides driving the exponential growth of his company, IEX.

Rohit also leads the strategy function which includes market assessment, strategizing and implementation of the new initiatives such as the cross-border electricity market towards building an integrated South Asian energy market in the long run.

Prior to IEX, Rohit worked in leadership roles with conglomerates like Reliance Industries, Lanco Power, Avantha Power & Infrastructure and Jindal Stainless where he oversaw various aspects of energy infrastructure projects like power plants and gas pipelines.

Rohit holds a Bachelor's degree in Mechanical Engineering and a Post Graduate Diploma in Business management in Marketing and Operations.
